

# career day

**Objective:** Career Day is meant for you to meet with professionals who will provide you with information about their careers and answer questions about educational possibilities, internships, summer and permanent positions.

**How to get it done:**

Take this worksheet with you to each session and complete it immediately following career day.

| <b>Speaker #1</b>   |                    |
|---|--------------------|
| Speaker's Name:   | Career/Profession: |
| Does this career/profession interest you? Why or why not?   |                    |
| List three or more skills that you may have that might be valuable in this career.<br>(i.e. adept to using a computer, good with your hands, flexible when finding solutions to problems, good with people, and so forth) |                    |
| What high school courses and educational training would you need for this career?   |                    |

| <b>Speaker #2</b>   |                    |
|---|--------------------|
| Speaker's Name:   | Career/Profession: |
| Does this career/profession interest you? Why or why not?   |                    |
| List three or more skills that you may have that might be valuable in this career.<br>(i.e. adept to using a computer, good with your hands, flexible when finding solutions to problems, good with people, and so forth) |                    |
| What high school courses and educational training would you need for this career?   |                    |

## Speaker #3
